

# Lactation Space Essentials

From the #1 doctor recommended breast pump brand,<sup>1</sup> these essentials show your employees that you are there to help them return to work and continue to provide breast milk to their babies for as long as they choose. Medela is proud to offer these important essentials to help busy working moms stay organized as they navigate their breastfeeding journey.

**Medela is proud to offer five of the most important essentials to support new moms returning to work.**

## Breast Milk Storage Bags

Moms can store, transport, and warm breast milk in these convenient, ready-to-use breast milk storage bags. For added convenience, the bags are self-standing and come with a large write-on area to track the date and other important information. A bonus resealable transport pouch is included to help keep the bags clean and organized.

- ✓ Durable material
- ✓ 6 oz/180 mL capacity
- ✓ Large write-on area
- ✓ Self-standing

## Safe & Dry™ Ultra Thin Disposable Nursing Pads

Breast milk leakage changes throughout a mother's breast milk feeding journey. The ultra-thin, soft, and hypoallergenic pads offer discretion to ensure she stays dry and confident.

- ✓ Super-absorbent materials
- ✓ Soft layers
- ✓ Double adhesive tape
- ✓ Designed for comfort

### Quick Clean™ Micro-Steam™ Bags

Moms can steam clean in minutes! Sanitizes breast shields, accessories, bottles, nipples, pacifiers, and more in approximately 3 minutes. Each bag is reusable, up to 20 uses per bag, and eliminates 99.9% of most common bacteria and germs.

- ✓ Quick & easy steam cleaning
- ✓ Reusable cleaning bags
- ✓ Eliminates 99.9% of germs
- ✓ Disinfects in about 3 minutes

### Quick Clean Breast Pump & Accessory Sanitizer

This easy-to-use, quick-dry spray eliminates 99.9% of germs on hard, nonporous surfaces with its safe, no-rinse, no-wipe formula. Sanitize breast pumps, breast shields, breast milk bottles, and more in as little as 60 seconds. Containing no harsh chemicals, fumes, bleach, dyes, or alcohol, it is a great addition to lactation rooms for quick and easy cleaning.

- ✓ Sanitizes in 60 seconds
- ✓ EPA approved
- ✓ No rinse, no wipe
- ✓ No harsh chemicals

### Quick Clean Breast Pump & Accessory Wipes

Cleanup after pumping is so easy with Quick Clean Wipes! These wipes are proven safe for cleaning breast pumps and accessories, and lactation room surfaces. A great portable cleaning solution makes it a must-have item for moms who travel.

- ✓ Quick and easy cleaning
- ✓ Use anywhere
- ✓ Efficient
- ✓ Portable, convenient solution

Having on-the-go cleaning accessories was a game-changer. It helped me maintain my breast pump and parts without all the fuss.

– Jaclyn, Minnesota
